

## 2016 Lakeland High School Career Expo – White Lake MI.

Anthony Halicki & David Warner, June 2, 2016

It was a great experience to participate in Lakeland High School's 3<sup>rd</sup> annual Career Expo in beautiful White Lake MI. Career Expo is an opportunity for 11<sup>th</sup> grade students to meet with people from a diverse vocational background, and ask as many questions as come to mind.

This was our second year representing Munro & Associates from both the engineering and software divisions. Questions we fielded varied from, "I don't know what I want to do; what do you do?" to very detailed questions about our backgrounds and everyday duties. The students, just like any other cross section of our community, ranged from mature and serious to jovial and detached. From our viewpoint, if you ever get a chance to do this at your local high school, do not hesitate to participate. Serving the community by helping young adults find their niche in the workplace is very gratifying.
